

The Jewish Grad Organization

What is JGO?

JGO (formerly JGSI) is the independent national movement for Jewish graduate students and alumni.

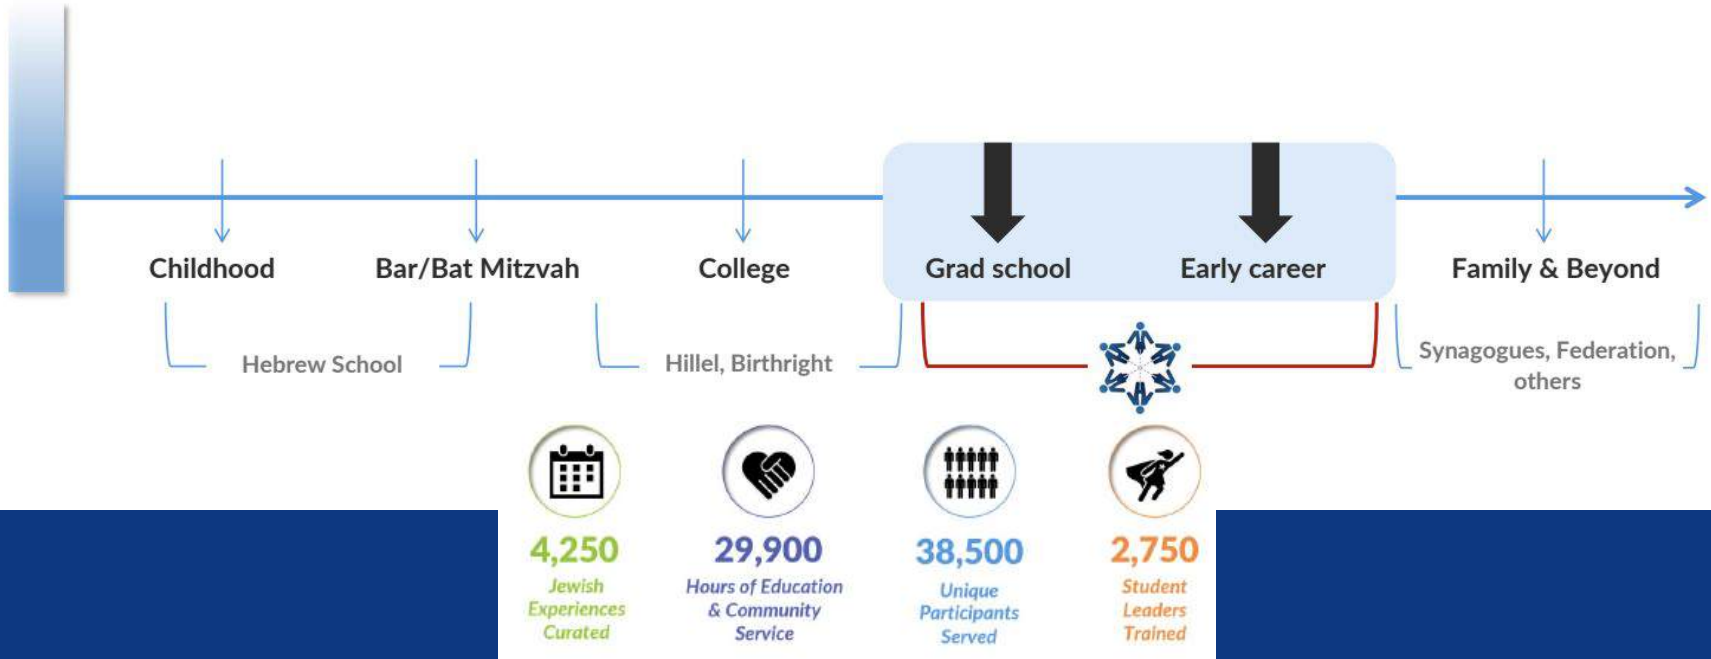

We currently partner with 150+ Jewish grad clubs like yours nationwide!

Our mission is to support Jewish life on graduate campuses and to connect Jewish grads and alumni to their heritage and the wider Jewish community.

JGO Fills the Gap

JGO helps bridge the gap in the American Jewish ecosystem between college and career, a critical development stage in which 10+ years may elapse where young adults are offered little Jewish programming tailored to their station in life.

FAQs 🙄

- What denomination is JGO?
 - None / all. Our staff is diverse and so are the students we partner with!
- Where does the funding come from?
 - Primarily from individual donors who want to give back to students
- Is JGO part of another Jewish org?
 - Nope! Totally independent (but we love to partner with orgs like the ADL, Hillel, Chabad, etc)
